Appointments Available 8:30-3:00  
Call: 785-746-5777 for appointment

February 10th—Appanoose Elementary School  
Appointments Available 8:30-3:00  
Call: 785-566-3386 for appointment

Please allow our team of professionals to monitor your child's overall development.

This screening will measure your child's abilities in the areas of:

Vision

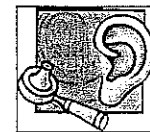

Hearing

Fine Motor and Gross Motor

Speech and Language Development

Social and Self Help Skills

Cognitive Abilities

This screening is very important for all children and especially those who are eligible to enter Kindergarten in the fall. This is also the first step if you are interested in your child being a peer model in the preschool classroom.

If these dates do not work for you, TLEC has additional screenings in Osage and West Franklin Counties. Please call 785-528-5003 for additional screening dates.
